The pill thrill: Are vitamin pills a waste of money?

Name ..............................................

A lot of people take vitamin pills. The cards give four different viewpoints about taking these pills.

Read the different viewpoints.

In your group, agree a rank order for the views. Rank 1st the view you all most agree with, down to 4th the view you all least agree with. You must give a separate ranking to all the viewpoints.

Make sure you have good reasons to support your rankings.

Elect a spokesperson to give your group’s rankings and reasons to the class.
