

# Primary science teaching support

[edu.rsc.org/ase](http://edu.rsc.org/ase)

Session will begin at 4.30pm

# Primary science teaching support

Chloe Francis – [francisc@rsc.org](mailto:francisc@rsc.org)

Kate Whetter – [whetterk@rsc.org](mailto:whetterk@rsc.org)

Laura-Alexandra Smith – [smithla@rsc.org](mailto:smithla@rsc.org)

**Session will begin at 4.30pm**

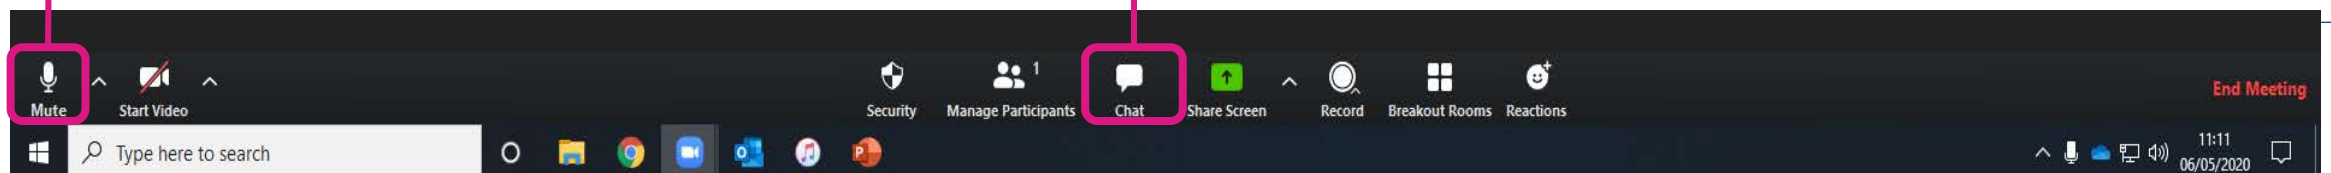

# Zoom housekeeping

Please mute yourself during the presentation unless you're directly speaking. This avoids background noise.

- You can mute/unmute by clicking the microphone icon at the bottom left of your screen
- You can temporarily unmute yourself by holding the space bar down

If you have any questions, please type them into the chat. The session co-host will be checking for any questions and asking the host.

- To access the chat, click on the speech bubble icon at the bottom of the screen

# RSC event participant agreement: *we agree to....*

- ...foster equal participation 
- ...not tolerate bullying, harassment, or discrimination 
- ...maintain privacy/confidentiality 
- ...respect people's identities & experiences 
- ...engage with kindness and respect 
- ...keep communication professional 
- ...consider diverse cultural backgrounds 
- ...contribute constructively.

Laura-Alexandra Smith – [smithla@rsc.org](mailto:smithla@rsc.org)

# Write into the chat box...

Where do you teach?

What age group do you teach?

# Primary science teaching support

## Aims:

To encourage and support primary teachers to make use of the RSC's new primary science website when it is launched.

To allow time for teachers to collaborate and plan for the coming year.

## Outcomes:

- To be familiar with the RSC's new primary science website and know how to use it when it launches.
- To take away ideas to reinvigorate your science teaching this new year.

# Discuss in breakout rooms...

## **In your science lessons:**

What would you like to start doing in 2021?

What will you do more of in 2021?

Is there anything you'll do less of in 2021?

# Upcoming sessions

## Saturday 9 January

### Adopt a scientist. Working with our members to support education

15.15 (GMT) with Declan McGeown ([details here](#))

Our education coordinator Declan McGeown will outline how members in Northern Ireland worked with primary teachers to support pupil STEM learning and skills progression. The session will include practical activities and information to support teachers to use external bodies to provide career information. This helps to enthuse and excite children about a career in STEM.

Plus look out for our website launch events on Thursday 25 and Friday 26 February!
